

Meet Melissa Lam

Leaside Business Park Association

Business Analyst and Creative Branding Talent!

The Leaside Business Park Association has been undergoing a great deal of transformation, becoming a more inclusive and diverse organization. Along with the new direction comes a new look and feel reimagined, by Melissa and her colleagues!

Melissa Lam, is a full time Business Analyst with XYZ Storage, In her role, she plays an integral part of the real estate team, where her focus is to provide information and analysis that is crucial for the organization and it's leadership team. Melissa is also a part of the HR department at XYZ Storage, and helps to ensure policies and processes are current and up to date, and always aligned with XYZ's brand.

Inspired by the vision of the newly appointed president, Melissa has taken the initiative to modernize the association's presence and outreach to expand the association's membership base.

Melissa enjoys working at XYZ Storage because of the family oriented atmosphere and the endless learning opportunities. There is never a dull moment at work for her.

One thing Melissa mentioned about XYZ Storage is that she admires how much effort they put into being a community builder and how they always lend a helping hand to the community. For instance, XYZ Storage teamed up with TNO and donated storage space and small boxes for their food drive during the pandemic.
