

Investigative drilling work on Village Station Road

Starting as early as August 16, 2021

What is happening?

MetroLinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, MetroLinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** August 16, 2021
- **Duration:** 5 weekdays
- **Days:** Monday-Friday
- **Hours:** 8 am to 6 pm

What to expect

- Access to 50 Village Station Road and its parking area will be maintained, with a flag person directing traffic. Every effort will be made to minimize disruptions.
- There are five work sites. Teams will work at each site for one weekday, totalling five days.
- **During drilling activity for each work site, at least four parking spots or the equivalent area will be occupied at that site, including overnight.**
- Businesses near the work site may hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Work equipment may be left on-site until work is completed. Please take care and watch for signs directing pedestrians when walking near construction areas.
- Periodic short-duration site visits to conduct sampling will be conducted after drilling concludes. There will be no noise, traffic, parking or pedestrian impacts associated with this work.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.
