## Community Organizations

TNO – THE NEIGHBOURHOOD ORGANIZATION is a community-based, multi-service agency providing a wide range of community services since 1985. We are a non-profit, registered charity funded through generous donations, government grants, foundation support and corporate partnerships.

Our programs, services & activities support low-income, marginalized and newcomer communities across Toronto in more than 50 languages and at no cost. Our central locations are in Thorncliffe Park, Flemingdon Park, St. James Town and Crescent Town. You can also find us at various satellite locations in the city, including schools and City of Toronto facilities.

Some of the services we provide are: Newcomer Support Services, Employment Services, Language and Training, Housing Services, Youth, Child and Family Services, Violence Against Women Services, Seniors Services, Economic and Community Development and Health Services.

We are a model for neighbourhood programming and community development in Ontario. In 2011 and 2017 we were awarded the United Way Spirit Award for excellence in community giving.
