LBPA ANNUAL GENERAL MEETING

The LBPA AGM was held on November 9th, 2022, and was a successful hybrid meeting with attendees and presenters attending in person at Amsterdam Brewery and online.

LBPA President, Leslie Kellen, kicked off the meeting followed by the financial update by Treasurer Dag Enhorning.

The LBPA Board continues to evolve with an increasingly diverse representation of the types of businesses in our business park and of our community partners.

The 2023-2024 Board of Directors can be found on our website leasidebusinesspark.com.

COMMUNITY UPDATE

Helping kids and families in our community for over 19 years.

Leaside Toy Drive

The *Leaside Toy Drive* just finished its 2022 program in which it raised money to buy and deliver gifts for 5,000 children in JK - Grade 8 in Thorncliffe Park and Flemington Park – a record number in their 19-year history! Significant contributions came from Toy Drive Local – part of the **LeasideLocal** Program which is a partnership between Leaside Life and local start-up Hope Factory designed to support community need and local merchants through a new technology platform. Local Merchants each set an offer that Customers can participate in by shopping locally. When an enrolled consumer spends the minimum offer amount, it triggers a Merchant donation which is then 'Boosted' by other local businesses and services to amplify the impact. It's truly a WIN, WIN, WIN! The LeasideLocal platform is available to be used by any Leaside area businesses (Merchants or other) to raise money for local causes like the Thorncliffe Food Bank and many others.

The Toy Drive campaign may be over but there's never a bad time to shop and support local in Leaside! Your favourite local Leaside Merchants are still open for business and ready to help with all your Holiday Shopping!
