## THE LEASIDE BUSINESS PARK IS OPEN FOR BUSINESS

By Leslie Kellen, LBPA President

LBPA president's update is now live in Leaside Life's March Issue:  
<https://leasidelife.com/the-leaside-business-park-is-open-for-business/>

A sneak preview of the article:

"The Leaside Business Park is a strategically important industrial area for the City of Toronto; approximately 90% of all manufacturing jobs in the city are located in employment areas similar to our business park. We need to protect the employment lands within the park and preserve and grow the jobs that are in this area. We want our business park to be core to a neighbourhood where you can live, work and play all in the same area."
